first published in 2004 routledge is an imprint of taylor francis an informa company

this volume constitutes what is perhaps the most thorough description of a creole language to date following the descriptive grammar series outline it provides detailed coverage of a full range of grammatical phonological and lexical information written with the interests of formalists and functionalists creolists and students of language universals and typology in mind

expressions of linguistic judgements by both native and trained native speakers of ndyuka combine with close study of texts to provide a solid basis for the work more than two thousand examples of constructions and forms are considered in context and these give the careful reader a rich picture of all the structural and functional aspects of this radical creole the authors close acquaintance with the ndyuka language community spans more than 25 years and allows the intuitions of ndyuka speakers to show through clearly numerous cross references and an index of forms and topics of special interest supplement the detailed table of contents facilitating the testing of hypotheses on language universals typology creolization and processes such as clefting relativization and verb serialization

womens health magazine speaks to every aspect of a woman s life including health fitness nutrition emotional well being sex and relationships beauty and style

this is the first general selection from the substantial body of surviving documents about elizabeth s navy it is a companion to the navy of edward vi and mary i vol 157 in the nrs series where the apparatus serving both volumes was printed and it complements the other nrs volumes that deal specifically with the spanish armada this collection concentrates though not exclusively so on the early years of elizabeth s reign when there was no formal war from 1558 1585 the navy was involved in a number of small scale campaigns pursuit of pirates and occasional shows of force the documents selected emphasize the financial and administrative processes that supported these operations such as mustering victualing demobilisation and ship maintenance and repair the fleet varied in size from about 30 to 45 ships during the period and a vast amount of maintenance and repair was required the main component of the volume is the massively detailed navy treasurer s account for 1562 3 which is followed by and collated with the corresponding exchequer account the documents illustrate just how efficiently the dockyards functioned they were one of the great early elizabethan achievements
